KEEN ON KARLIE

Dear PURELY 18,

You guys sure do know how to pick a hot young girl! I am speaking specifically of Karlie from your December issue, of course. Damn! What wasn't to love? The jean shorts? The white t-shirt worn while playing with a water hose? Watch out, Karlie, don't get wet! Oops, too late! I said it before, I'm saying it again: Damn!

Like she didn't look perfect enough with that little bit of clothes on, she goes and takes them off! Damn! That ass is something! And of course her little pussy hairs are perfectly cared for. Oh, I bet she smells good. Damn! It's important work you gentlemen are doing and don't think we don't appreciate it.

Adrian
South Beach, FL

Dear Adrian,

Thank you for the kind words. While we don't encourage it, it's true that many refer to us as heroes for what we do. Indeed, what work is more important than presenting the finest in teenage pussy? It's a legitimate question. But we're just doing our part, and without readers like you, we'd be nothing. Thanks for being there, Adrian!

A TOUCH OF GREY

Dear PURELY 18,

Congratulations on getting Sasha Grey in your magazine! She's only like the hottest teen porn starlet in years. What I wouldn't give to throw it to her just one time, to show her that there are some real men who aren't in porno, too, you know! I'd just like to wrap her long brown hair around my hand and ride that dirty girl like a horse.

Those were great photos, too.

PEACHES
& EVE

Sometimes in videos I just want the girl to sit still for a second so I can blast her face, and with your magazine I feel like I have a lot more control. I wonder how Sasha feels about it. Does she know how much control I have? Does she like it?

Rich
Del Rio, TX

Dear Rich,
We're big fans of Sasha, too. She's got that perfect combination of beauty and a filth factor that's off the chart—the finest of a rare breed. But don't think you can control her, because she's smart, too! It's Sasha's world, we're just allowed to be a small part of it.

POOL-SIDE WITH PEACHES

Dear PURELY 18,
When I was younger I lived in a home with a pool. The seed had long been planted that pools attract horny girls, and I waited for two long years, always hoping that each day would be the one where the hot chicks showed up and frolicked and satisfied me.

It never happened—until now.

Peaches & Eve, the delicious combo from your December pages, played out my fantasy as if I'd directed them myself. When Eve strapped it on and nailed Peaches? Only one of the greatest moments of my life. I'd have done the same thing, but not with a strap-on. And I'd have nailed them both, too!

Maybe I should get another place with a pool. If it would help me get girls like Peaches and Eve it would sure be worth it!

Peter
Elko, NV

Dear Peter,
Pools can certainly be chick magnets, you just have to let them know where to find it. We've found small signs with arrows to be quite effective. At least they know what to expect at the end of the arrows. Let us know how it goes!

DESIRING DAISY

Dear Daisy Marie,
I love everything about you: Your pigtails. Your smooth snatch. Your young, girlish curves. I'd love to fuck you right in your hammock. I've heard that can be kind of difficult, but my dick gets so hard for you that I bet it would be easy.

Marco
Cheyenne, WY

Marco,
We passed on your letter to Daisy and she said she was very flattered and that fucking in a hammock is great fun and she wishes she could see your hard dick. She said she would be thinking of you when she next pleasured herself. Nice work, Marco! [Eds.]

SWEET PIECE OF ASS

This brunette cutie-pie is Addison Rose, and she's a super-hot porno chick, to boot. She is so adorable, and has such a fine bod (just look at that ass, yikes!). All the studs in the adult biz are dying to work with her, and it's no surprise why. With her multi-color striped outfit, we're reminded just what a sweet piece of candy Addison Rose actually is . . . and we're getting a sugar rush right about now!

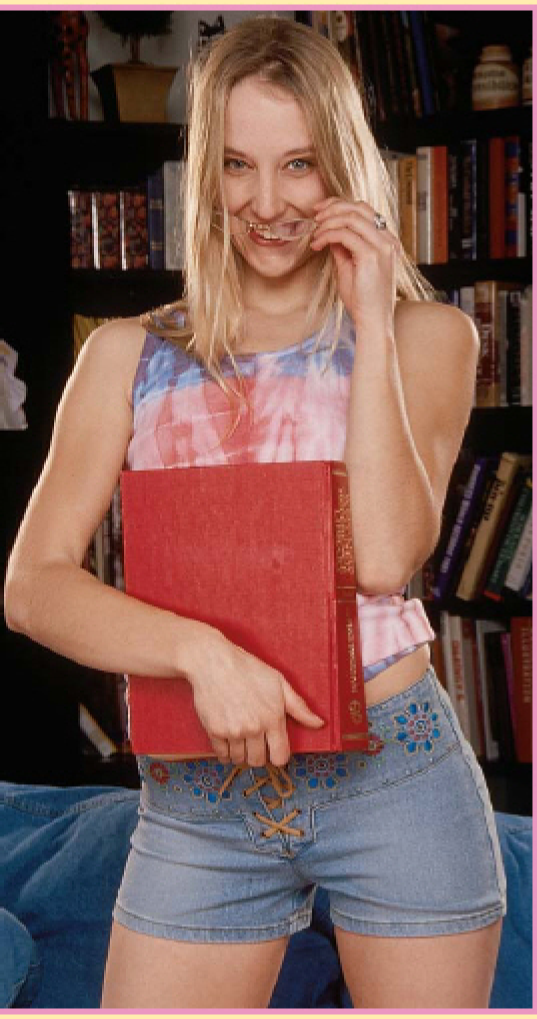
*What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of Liv, a curious 18-year-old, as she ponders her world of . . . what else . . . SEX!*

A Young Girl's Diary



Dear Diary,

What a difference a couple days can make! It seems like only yesterday I was just another confused, teenage virgin. Not anymore!

First I had to go back to Springfield with the family for the holidays. You know I totally didn't want to go, but I didn't know how much fun it would be. Remember my cousin Tony? Well he came back this year, too, and he's not a geeky little boy anymore. He brought a friend, Adrian, and that's where it got real interesting.

Adrian and I really hit it off and the three of us hung out that first night we were here. Whenever we were alone for a minute, me and Adrian were making out and finally Tony said he was tired, so Adrian and me could really have some fun. First we were kissing and stuff and he was rubbing my boobs. Then he took my hand and pressed it against the front of his jeans and I could feel his dick all hard in there. He was like, "Do you like that?" And I said, "Can I touch it? For real?" He unzipped his pants and his dick just jumped out like a jack-in-the-box. It was so big! I just put it in my hand and sort of squeezed it. He said, "It's easier if you get it wet." I started to go for some water, but he gently grabbed my arm and shook his head. That's when I knew I was going to give him a blowjob!

I was so excited and in such a hurry that I jumped right down to my knees. He had his dick in his hand and was kind of waving it in my face. He told me to be careful not to use my teeth and that was it, I put it in my mouth! He sort of started moving back and forth and then I just bobbed my head like I've seen them do in the movies and soon he was grunting real loud and my mouth was full of sperm! It really surprised me and I spit it out, but he said that was okay. Maybe tomorrow night I can try to swallow it! I would have tried tonight, but Adrian was asleep before I could even get his cum out of the carpet.

Dear Diary,

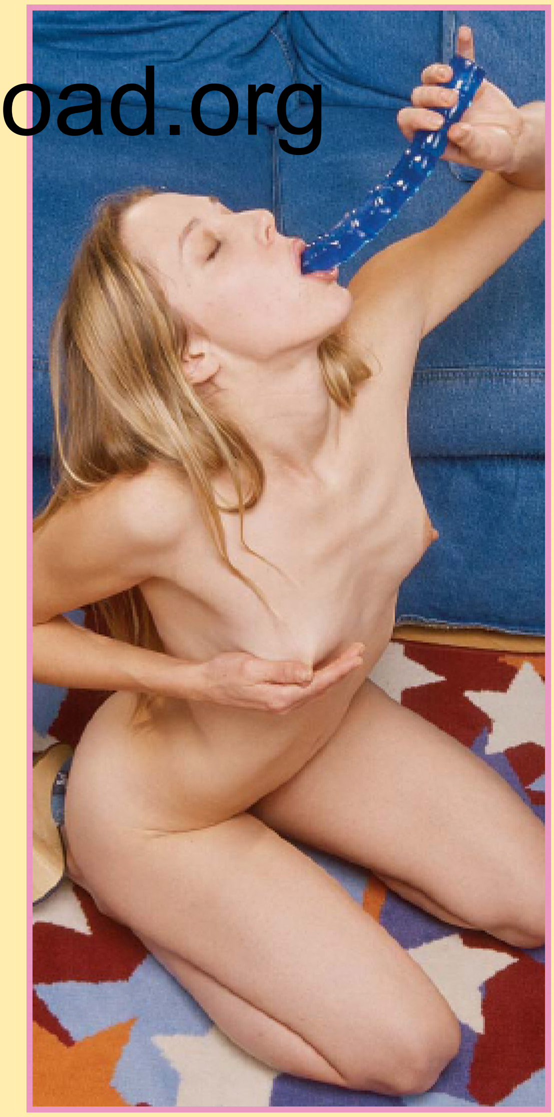
I guess Adrian thinks I'm pretty good at giving a blowjob, because he asked me to do it again. This time it was a little more intense and he was holding on to the back of my head as he thrust in and out. I wanted to try to do some things with my tongue, but I was so busy

> "He was thrusting really fast into my mouth and then all the white stuff just bursts out, one splurt after another, all in my hair and on my face!"

just keeping it from going completely in my mouth that I couldn't really try any tricks. This time he asked me if I wanted him to cum on my face. I was like, "I don't know, isn't that dirty?" He said, "No, it's just really fun. All the girls are doing it." That was all I needed to know! So he was thrusting really fast into my mouth and then all of a sudden he stops and groans real loud and then all the white stuff just bursts out, one splurt after another, all in my hair and on my face. It was really sticky, but fun, too. But get this, I tried to kiss him afterward and he totally wouldn't let me—and then he just fell straight to sleep again! I guess getting blowjobs makes guys tired.

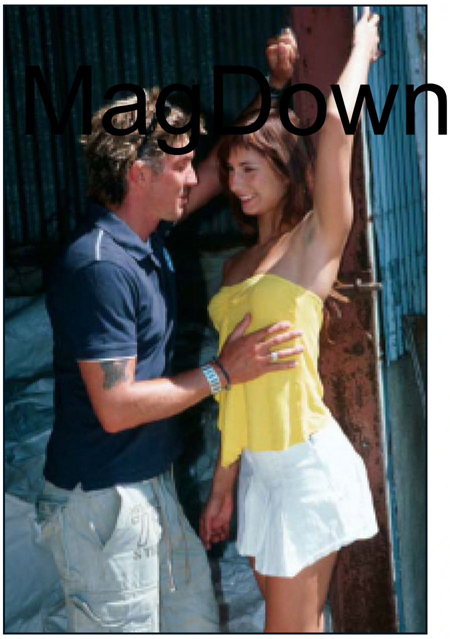
Dear Diary,

It was finally my turn! Before I started sucking on Adrian's dick, I asked him if he wanted to see me naked sometime, too. He was like "I totally want to see you naked!" So I took off my pants and shirt and I was just standing there in my bra and panties and he was staring at me and not saying anything and then he just pulled his pants off and was like, "You have to let me fuck you right



now!" Well, duh!

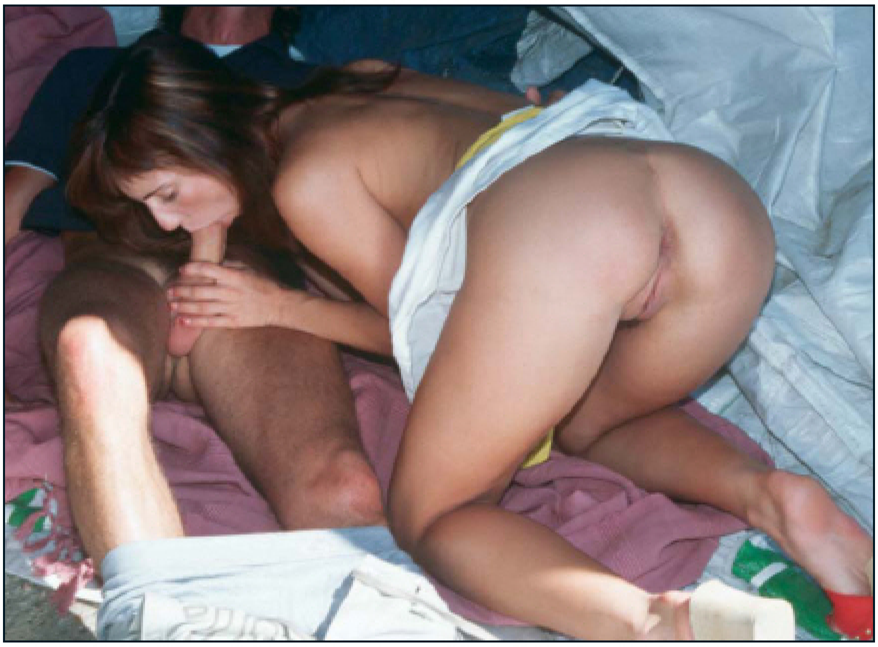
He got my panties off, I'm still not sure why that was so much work, and I undid my bra to save some time. He was just staring at my little fur patch so I just lied back on the bed and spread my legs. Adrian stuck a dry little finger in there and I said, "If I wanted a finger inside me I could have stayed home." He smiled and climbed on top. I was so wet, it was kind of embarrassing, but it sure made it easy to put his cock inside. It was only like ten seconds and we were totally fucking! It only went on for a couple minutes, which is right around the time that Adrian made all his grunting noises. He said he "popped" inside me. I was like, "You what?" He said, "I popped, you know, I came inside you. Couldn't you feel it?" I said I guessed I could. I don't know—I'm feeling so many things! They are all good feelings, so I'm going to keep trying. These have been the greatest holidays ever! (And P.S., Adrian is sleeping right now!)

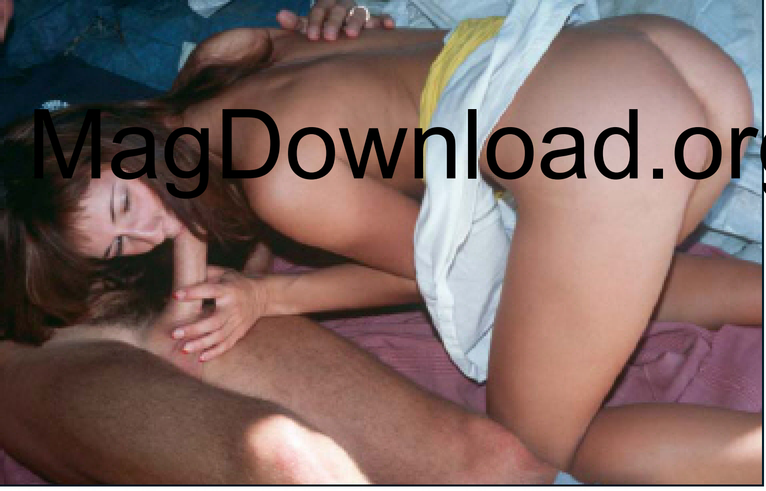


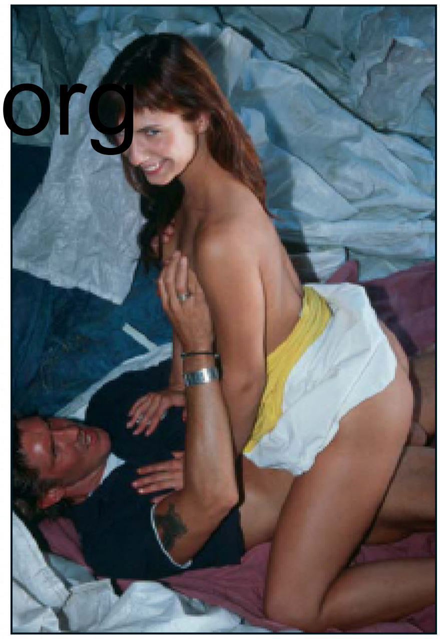
Sheridan

VAGINAL VACANCY FILLED

Sheridan's barely legal beaver had a raging fever to be filled with some massive man-meat in a hurry. She just couldn't wait to have her hotbox hotel filled with a creamy customer who knew how to pound her perfectly toned teenage body. Luckily for her she found a nice young man who was looking for a little shelter for his shaft! "I've had a few sexual experiences, but none quite like this. He fucked me each and every way possible, in-between mouthing his member, and then he unloaded his wet and wonderful wad, covering me from my petite tits to my tasty twat!"







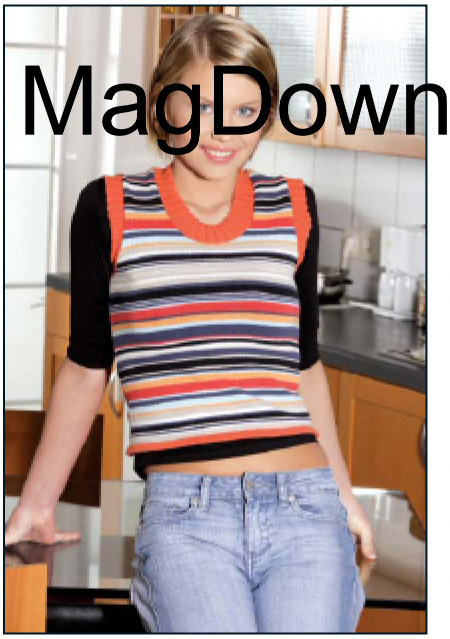
Purely 18 Classic

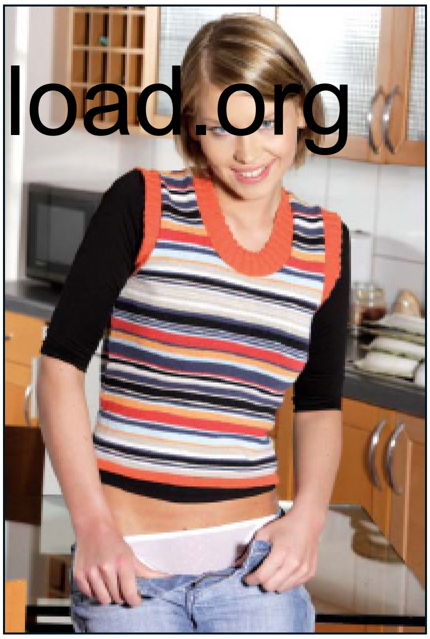
Violet

PLAYGROUND PRINCESS

Although Violet is 18, her boyfriend likes it when she acts like a naughty, little girl. He thinks her school uniform is her prettiest outfit, and he loves to take her to the playground when she's wearing it. He loves the way her little skirt flies up and reveals her panties when she's on the swing. He loves looking up her skirt as she climbs the jungle gym. One night, when they were alone in the playground, he leaned her over the jungle gym, hiked up her skirt, and slowly fed his cock into her ass. As he pumped his meat into her he kept calling her his "dirty little girl."

TEEN DREAM





Valerie

DREAMS CUM TRUE

Sometimes we have our models come by our editor's home to take some test shots. So teen sensation Valerie shows up, ready to get naked, spread her pussy, and dildo herself up with a sex toy. Valerie was a good girl, smiling for our cameras, even though this was the first time she's been naked around a bunch of guys. But she did what we asked her, and once she was really comfortable, she said we could each take turns popping her cherry. We told her this happens all the time, and we'll make her Teen Dream this month. Happy, Valerie offered to get naked for us again. Great Valerie, we look forward to it. We hope we can nail next month's Teen Dream. Got any hot girlfriends willing to stop by, Valerie?

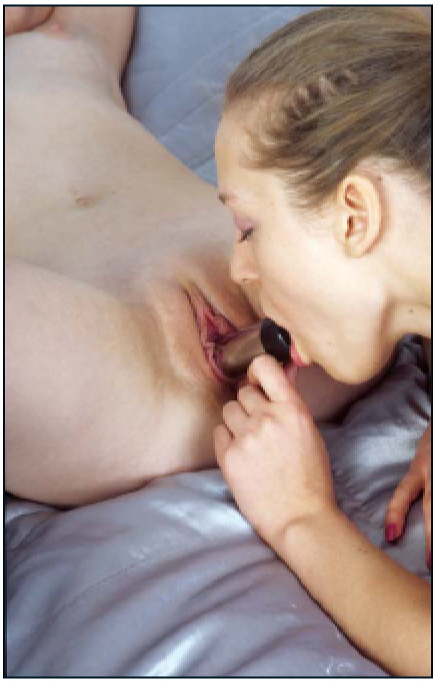
Vikki & Lola

KINKY SONGBIRDS

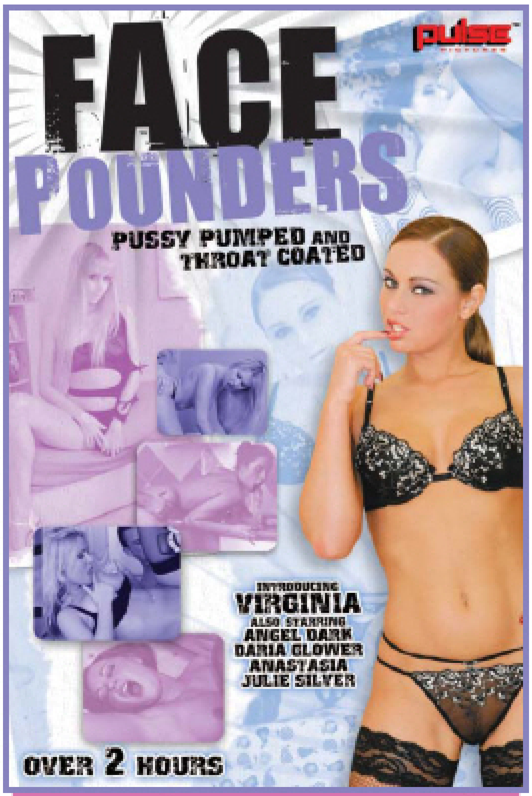
Vikki was singing in the shower this morning, "Lola, Lo Lo Lo Lo Lola," the beloved Kinks song, because she knew that today she'd be seeing her very best gal-pal, named, naturally, Lola. When these two teen lovelies get together, they begin talking about boys, but the chatter soon gives way to nibbling on each other's terrific titties and adorable pussies. Hey girls, if we sing in the shower about you two, do we get to fuck you?!



Purely18 ON THE SET

FACE POUNDERS

Story By Acme Andersson



Sometimes we get so caught up in our American girls that we forget that there are even more hot, horny, young things around the world just dying for our attention. With Face Pounders, we get an impressive batch of Euro girls, 5 fresh faces that, when we're done with them, won't be quite so fresh.

The Face Pounders line focuses on, as one might guess, face pounding. The old cock-in-the-mouth routine. But it's not all about the dick sucking, no, these girls all give their pussies a serious workout as well. We have a lot of girls to meet, so let's keep things moving.

JULIE SILVER & KARL

Julie is sitting scantily clad on the bed, smiling for the camera. She wastes no time. "Okay," she says, "let's go!" With that, Karl enters the scene and his cock enters her mouth. She takes his long tool and makes the entire thing disappear into her mouth. For her next trick, she bends over on the bed, tells Karl to fuck her, which he gladly does. Her top is gone by now, exposing full, round breasts that dangle as she's on all fours, her hard nipples always pointing straight up.

When she lies on her back, we see that she has a putting-green style muff, above the lips only, so as not to block the view of cock sinking into that lovely young snatch. She quivers as he rams it in, her hole gaping in anticipation when he pulls it out and spreads her open.

A greedy little girl, she deep-throats him again when it's time for jizz, and he blasts in her mouth, which she lets drool out before blowing cum-bubbles.

ANGEL DARK & KARL

Angel is another girl of few words. She waves to the camera and says, "I love it," which Karl uses as his cue to march onto the set and cram his cock into her pretty little mouth. She laps him up hungrily, steadying herself by hanging tightly on to his legs, gobbling gluttonously.

She spreads her legs wide, showing a pussy that could serve as an example for future generations. She plays with her clit while Karl pulls her gash open and lets his beast loose. Her boobs jiggle across her slender frame as their bodies connect. When Angel gets on top, we see yet another asset, a perfectly rounded booty that Karl can hardly keep his hands off.

Angel stares straight up at Karl as he drops his juice just into her mouth, where it sits and then slides out, down her chin and on to her tits.

ANASTASIA & KARL

When Karl presents himself, he is still clothed, but he can't pull the wool over this blondie's eyes that easily! She knows exactly where his cock is hidden, and quickly unbuttons his fly and finds his rod ready and waiting. She wraps her red lips around it and down, down, down it goes until there is nothing left but his shaved ball sack. She pulls off and lets loose a stream of drool. Repeat. Her spit landing loudly on the wood floor.

Speaking of loudly, Anastasia is not the quiet type, at least not when riding a guy's cock on the kitchen floor. She moans contentedly, her nice titties flopping as her body motions for more. Karl, perhaps playing the role of the real estate agent, takes her on a tour of the kitchen, seemingly showing her all the different appliances as he fucks her from behind. "And how about this," he seems to say as he rails her bare snatch,

Julie Silver goes for the gold in her sizzling scene with Karl!

Euro slut superstar Angel Dark goes crazy for Karl's cock!

"the washer and dryer are right here in the kitchen!"

But it's the juicer that most interests this young thing, and she takes its wholesome goodness from her forehead to her chin.

VIRGINIA & MARCO

Karl finally agrees to let his friends have some fun, too, in this case Marco. While Virginia sits quietly in the center of the room, Marco comes in out of nowhere, walks straight over to her, closer, closer, closer, not stopping until his cock is fully crammed into her mouth. As she sucks him, she slips her bra off her little tits and then puts her hand on her snatch, pressing into her clit, preparing for what is to come.

What's to come is Virginia sitting on Marco, that hard cock ramming into her cunt as she writhes in ecstasy. Her green eyes bulge as her twat finds its limit and she presses on for more. Marco takes his turn, giving her the ramrod from behind as she hangs on to keep steady.

After some face-fucking, Marco pulls out just in time to spray her tits, neck, and face with long lines of splatter-

sperm while Virginia looks at him and then us with her cat-like eyes.

DARIA GLOWER & TOBY

Daria sucks on a big, transparent dong while Toby strokes his poker. Seems these two have mutual needs, so soon they get together to see what can be worked out. First he works her out of her clothes, exposing her big, full fruit. Then she gets him out of his boxers and into her mouth, gobbling loudly as her lips meet his balls.

He bends Daria over the kitchen counter and rides his probe deep into her honeypot. She hangs on tightly, wild moans coming out of her lipstick-smeared mouth. After a suck break, she takes the upper hand, lowering her fuzzy snatch onto his meat, bouncing like a girl on a pony.

Daria continues to moan as Toby aims his flesh-gun to shoot out his liquid bullets, which smack her face, tongue, and tits. She cleans off his cock until his body shakes and he can't take it anymore.

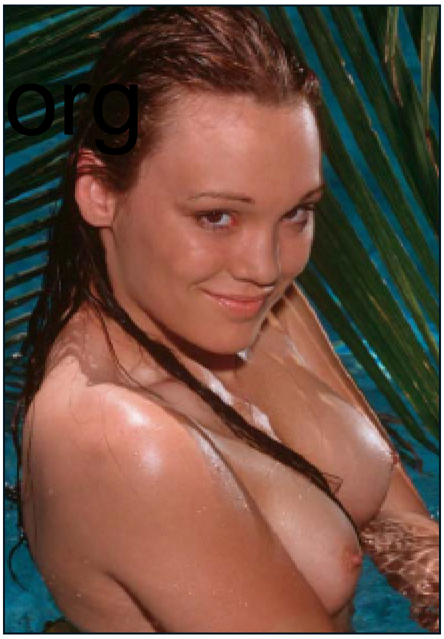
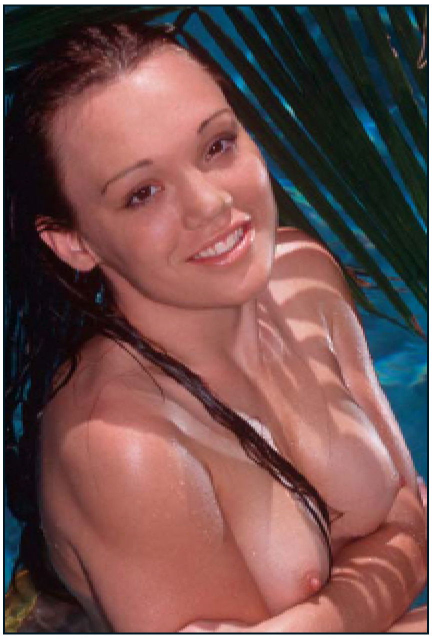
Krystal

ORANGE YA HARD YET?

"Hi guys! I'm Krystal. Do you like my bikini? Would you like me to take it off and show you my hot, teen muff? Heehee. I thought you would. I'm so wet, and it's not because I've been swimming. My pussy is bursting with sweet cunt juices, and I need an older guy to suck my juicy box. Do you wanna? Just come on over. I'll be out back soaking up some sun, and cum. When you find me, spread my legs and bury your face in my tight twat. And when you're done, heehee, I might let you be the first to pop my cherry!"

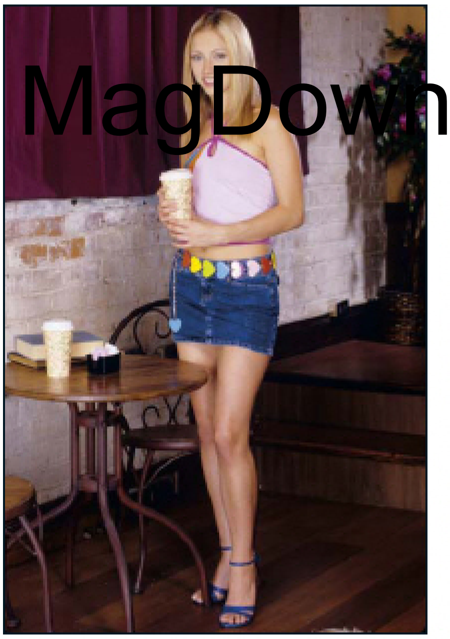




Adel

TEEN QUEEN OF THE CAMEL TOE

One of the prettiest young girls we've ever had in **Purely 18**, Adel is always welcome in our pages. With her tight, blue cotton panties, she could easily be deemed Teen Queen of the Camel Toe; hey, we'd love to hump her any time! Here we see Adel enjoying a large cup of coffee—with her around, we don't need caffeine to wake us up . . . the sweet aroma of her fine pussy is enough to keep us awake for days!



Crystal

BATHROOM BAD-GIRL

Crystal has been a very dirty girl lately, so she thought it best to climb into the tub to rub away some of those naughty thoughts that have been running through her head. But it seems that she only found more ways of gratifying her girly gash by showering it with ample attention as it just so happens she keeps her favorite twat-toy hidden in the bathroom. "I like to hide in the shower and lather my love-lips until I cum like a good girl should," coos our dreamy and creamy Crystal. Look's like we're the ones who could use a cold shower now!
